HOW THE SHOW WORKS

Show Opening

The show opens with the Draper family discussing the topic of the week with the episode's guest judges. Previous topics included Bitcoin, what VCs look for in an entrepreneur, how to build the next unicorn...

Behind the Scenes

After the show opens, the viewer is taken behind the scenes to the region on display to get a taste of the local culture and entrepreneurial ecosystem, and to be introduced to some of the city's entrepreneurs.

Meet the Founders

The viewer is then introduced to the first entrepreneur. The judges discuss the company and take a brief look into the entrepreneur's life, from their inspiration and experience to their life story.

The Pitch

The entrepreneur pitches the Draper family and VIP guest judge who, in turn, asks questions to help the viewer get an inside look into the entrepreneur's mind.

HOW THE SHOW WORKS

Judges Evaluation

The entrepreneur exits as the Drapers and VIP guest judge discuss live feedback.

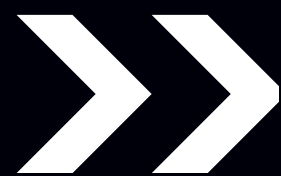

Repeat

This same process is repeated with each of the three other entrepreneurs.

Episode Winner

At the end of the episode, Tim Draper selects a winner to move on the semi-finals round.
